

Dear Parents/Guardians,

Please note time below for collection of your child's text books next week, along with the following directions.

- Parents may park in teachers' car park.
- Staff will direct you to the location of your child's bundle of text books on our junior yard. (This is the yard where children line up in the mornings.)
- Bundles of text books will be placed on chairs, labelled with your child's name, in alphabetical order, 2 metres apart.
- One adult only to collect text books.
- If you have more than one child attending Scoil Mhuire, your childrens' text books will be placed with the bundle of your eldest child ensuring you will only make one visit to the school. Please note the time for collection of books for eldest sibling in your family.
- To assist us in keeping things running smoothly, we ask that you arrive at the time allotted for your child's class.

To facilitate returning your child's text books, all staff will be working in small groups, wearing gloves and face masks, and observing social distancing throughout.

Collection time.

Friday 22nd

12.15pm - 1.00 pm Ms. O Keeffe – First Class

Thank you for your co-operation in this matter.
