

Procedure for using set down area.

- Please be aware that the set down area is not for long term parking. When dropping or collecting your child, do not park your vehicle in such a way that it blocks the set down area. This may cause traffic to build up on the main road and presents a hazard.
- All drivers are to use the set down area carefully. Be aware of children alighting from and entering cars.
- Drive slowly at all times.
- Follow the ***left turn only*** sign upon exit.
- All pedestrians are to use footpaths and pedestrian crossings. There are two pedestrian crossings: located outside school gates and within the set down area. Please do not call or beckon your child across the roadway, as this may place them in danger of moving traffic.
- Pedestrians should only enter the school through pedestrian gates and not the staff car park gate.

Please be aware of your surroundings at all times. The health and safety of the entire school community is our priority.

Thank you for your cooperation in these matters.

Board of Management, Scoil Mhuire.
